

# KICK OFF 2009

## SCAVENGER HUNT

Participating in ACS Kick Off 2009 gives you a great opportunity to connect with other ACS experts.

By completing this scavenger hunt, you not only get to find others at ACS with specific expertise, but get to know your fellow ACSers on a more personal level.

Meet as many different people as you can who match up with the descriptions below. When you have found someone who fits a description, have them sign your sheet. When you have completed the scavenger hunt, don't forget to enter into the drawing to receive an Expertise in Action prize. Good luck!
